RIKER IPSUM

Ensign Babyface! I am your worst nightmare! We know you're dealing in stolen ore. But I wanna talk about the assassination attempt on Lieutenant Worf. The look in your eyes, I recognize it. You used to have it for me. Mr Worf, you sound like a man who's asking his friend if he can start dating his sister. That might've been one of the shortest assignments in the history of Starfleet. Computer, relay that order. My oath is between Captain Kargan and myself. Your only concern is with how you obey my orders. Or do you prefer the rank of prisoner to that of lieutenant? Maybe if we felt any human loss as keenly as we feel one of those close to us, human history would be far less bloody. We could cause a diplomatic crisis. Take the ship into the Neutral Zone. They were just sucked into space. You bet I'm agitated! I may be surrounded by insanity, but I am not insane. Computer, lights up! Damage report! Fate. It protects fools, little children, and ships named "Enterprise." Some days you get the bear, and some days the bear gets you. Captain, why are we out here chasing comets? About four years. I got tired of hearing how young I looked. Besides, you look good in a dress. I'd like to think that I haven't changed those things, sir. Now we know what they mean by "advanced" tactical training. Not if I weaken first. Well, that's certainly good to know. Talk about going nowhere fast. The game's not big enough unless it scares you a little. I'll alert the crew. Our neural pathways have become
