

Seasons Greetings

*Dear Esteemed Colleague*

The Board would like to extend its best wishes to you and your loved ones this Holiday season. It greatly appreciate the work that you have done for it, and the people of these United States and beyond. Without you, the mission of the Bureau could not be completed, the security of the united states would be at stake, and our understanding of Astral Space and paranatural phenomena would be less so. Never forget your role in this agency and it's importance, even from outside the bounds of the Oldest House.
